Dear Sir :

Re: Cattle menace

Enclosed please find copies of photographs taken from our "The Fr. Mathew Rodrigues Health Centre" door which is just opposite a garbage dump on Church Pakadi Road No.1, Sahar. These cattle come daily to feed on the garbage. The owner of the cattle-stable is somewhere around the area, which, according to rules should move out of the city. However, no action has been taken and the cattle come daily to feed at this garbage bin. I had complained earlier but no action has been taken so far. I am therefore endorsing a copy of this letter with the photographs to Mr. Vijay Somani, Civic Action Group, Karmayog.com, The Asian Age, and other concerned persons.

With kind regards and gratitude for a quick action on this ménage,

Sincerely,

(Rev. Dr. Alwyn D'Souza)
