

# AKANKSHA

A ray of sunshine for less privileged children

3<sup>rd</sup> July, 2006

**Mr. M. K. Srivastava**  
Additional Municipal Commissioner (Projects)  
Municipal Corporation of Greater Mumbai

Dear Mr Srivastava,

**Ref: Educational Quality Improvement Project**

With reference to the above initiative, we at Akanksha Foundation are keen to participate in the effective running and quality delivery in these schools.

Akanksha Foundation has been involved in running a quality after school program in Mumbai since 1991 and today we have 31 after school centers covering more than 1600 children. Please see the enclosed Akanksha Information Package for more details.

The value Akanksha will add:

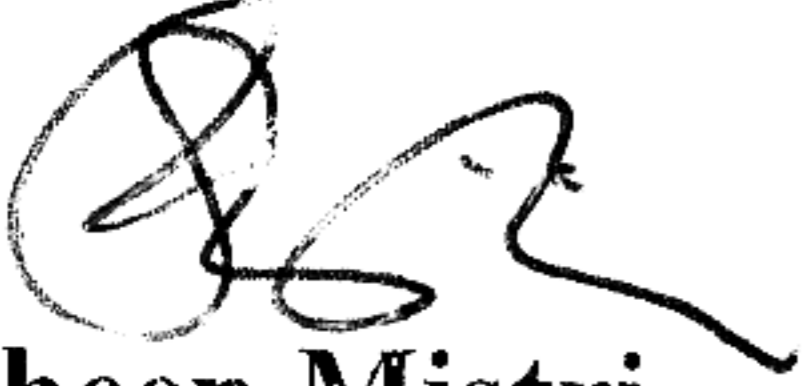

1. Akanksha goals have been to give children a strong foundation in English and Mathematics along with building the child's self-esteem and values through a holistic approach which covers in-class and experiential learning.
2. Akanksha has consistently worked with less privileged children and understand the background of the children who access public educational systems.
3. Akanksha has worked for the last 3 years in partnership with the Municipal Corporation of Greater Mumbai – Education Department through the School Adoption Program.

Based on the above, we would like to be part of the Project Advisory Board and will like to geographically cover the G/South Ward and H/West Ward.

We would like to personally fix up a meeting with you to discuss the partnership in detail.

Thanking you and with best regards.

Yours truly,  
For the Akanksha Foundation

**Shaheen Mistri**  
**Chief Executive Officer**
