Shri M. K. Srivastava,
Additional Municipal Commissioner (Projects),
BMC Annexe Building, 3rd floor,
Mahapalika Marg,
Mumbai 400001.

July 21, 2006

Dear Sir,

I am writing in reference to a mail received from Vinay Somani of Karmayog about the formation of advisory committees in each ward, to supervise the quality of education in the schools. I strongly feel that this is a much needed step in the right direction if we can these committees to be really functional.

Sir, you might be aware that Door Step School has been working in the field of education since 1988, initially in Ward A and now in Wards B and E, too. Our educational programmes cater to the most underserved children in those areas mainstreaming them into municipal schools where ever possible and imparting literacy and basic education through classes conducted in the vicinity of their place of stay or work in the case of children who cannot go to school. We have been working closely with the municipal schools in the vicinity of the communities that we work in and have been offering direct intervention in the form of the School Adoption project since 1999 in the Colaba Municipal School (Ward A) and since December 2005 in the Janabai and Madhavrao Rokde Municipal School (Ward B).

In view of the expertise we have developed as an organization and the practical experience I have gained in working with the target group, I would like to offer my services for the ward level advisory committees for South Mumbai.

I am attaching some relevant information on Door Step School and its educational programmes. I would be happy to furnish any further information you require in this regard.

Thank you

Bina Sheth Laskari
Executive Director
