Dear Sir,

Subject: Education Advisory Board.
From 'Karmayog. com' I got to know that you are on the lookout for educationists to become members of the Education Advisory Board that you are going to set up to administer the Educational Quality Improvement project in order to bring Civic Schools on par with private schools.

Since I am an educationist and also a freelance journalist who had written about various schools in Chembur and Deonar, I would like to be involved in the improvement of Municipal schools. I believe, Children irrespective of their class or caste have a right to good education. Such a project, I feel, would surely bestow this right to the deserving youngsters.

Since I am from Chembur, I would like to work for M(W) ward.

Hoping to hear from you soon, Yours Sincerely,
Kalpana Rangan
