Respected Sir

Re:- My Inclusion in **Education Advisory Board** for the new BMC English
Medium Schools in Mumbai

With reference to the above, I would like to mention that, my inclusion in the above
board could be a great asset to the BMC& would gratify me as an Educationist

I am M.Sc.,B.ED.,D.H.E.,ELP (C.E.M.D.) & retired principal of a very reputed school in
Mumbai where I 've proved myself as an **initiator** of the **school development
programmes**

My attached C.V. itself will speak of my potentials & dynamism. I have been a visionary
& capable leader with proven administrative & academic skills for the past 12 years in a
very well known and reputed school in Mumbai

I would like to have face to face interactions to understand each others point of views for
the cause of Education for the underprivileged little ones.

**I, being the resident of E ward of BMC, would like to be on the panel of E ward
Advisory Board.**

Hoping for an encouraging response.

Truly yours,

Sehra Hasan Mutabanna
