Sir:

BMC Advisory Boards

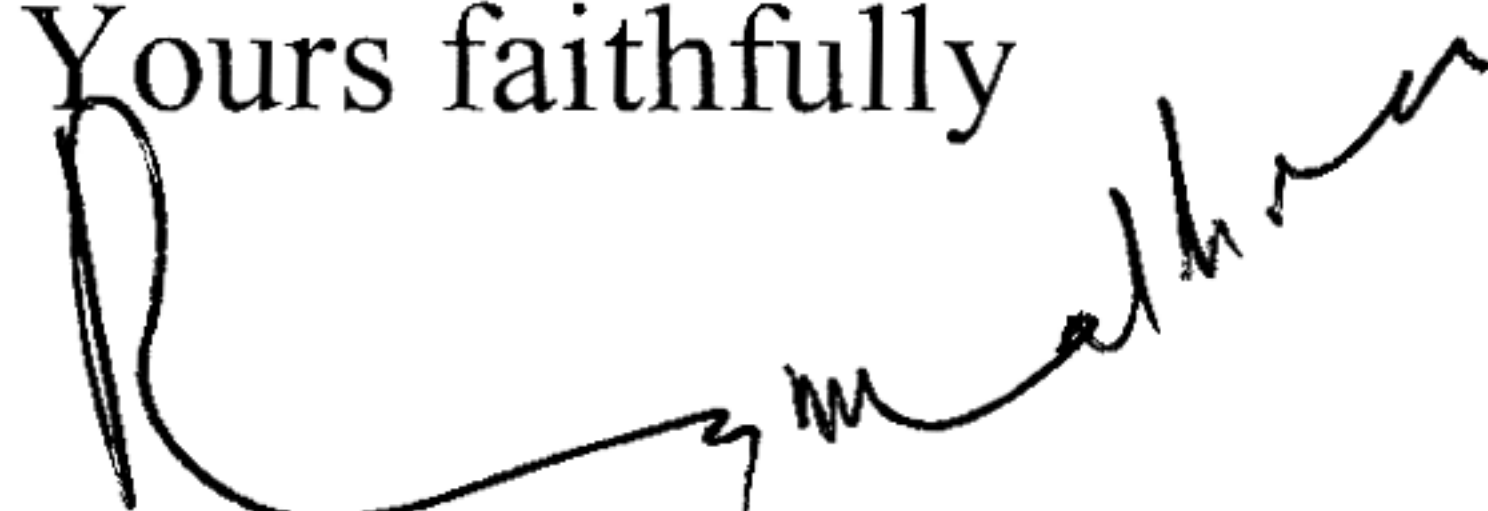

I refer to Karmayog Digest 905 (letter No.14). For quite long I have been actively involved in the civic issues affecting common man. I have been taking up issues like Footpath, road repair, education etc. through the mass print media.

My area of operation falls under 'T' Ward. On the issue of Footpath & roads in Mulund, I have also written a letter to the 'T' Ward Officer. Being a positive thinker, I believe there is always a solution for any problem and that we can tackle any situation with positive thinking.

I wish to be in any of the Advisory Boards, preferably education. I am presently connected with education institutions like Vani Vidyalaya, Mulund and Mulund College of Commerce in their ex students associations. As for my educational background, I am a B.Com, LL.B from Mumbai University, and MBA (U.S)(Pers.) from Newport University, California. Currently I am doing my Ph.D in HR through American World University.

Trust this would be sufficient for you to consider my case
Thanking you

Yours faithfully

(C R Ramakrishnan)
