TO,
SHRI M. K. SRIVASTAVA,
ADDITIONAL MUNICIPAL COMMISSIONER (PROJECTS),
BMC ANNEXURE BUILDING 3RD FLOOR,
MAHAPALIKA MARG, MUMBAI 400001.

DEAR SIR,

I refer to the e-mail regarding BMC Education Advisory Boards sent to us by Mr. Vinay Somani, Convenor, NGO Council, Karmayog, Mumbai. I would be interested in joining the same for 'C-Ward'.

I am a medical Doctor by education, now in Business. I am an active member of Rotary Club of Bombay Central Island, and also their Immediate Past President. As the President, I was actively involved in the running of our adopted school J.S.S. School, Nana Chowk run by BMC. Besides various activities conducted there, we had also started a Balwadi for the young children. Our Club, has now started a literacy program for the Primary students which their with the BMC Principal Waghmare is very happy about. Besides this, we are also actively working through our private Trust (K.K. & T.K. Trust) which has adopted the Mumbadevi Municipal Garden. We have an old Temple Trust near Mumbadevi and hence are very aware of the situation in 'C-ward'. With this background I am sure that I can be of great value to your education advisory boards. . In case you have any further query, please feel free to ask.

Thanking you,

YOURS FAITHFULLY,

For Rotary Club of Bombay Central Island

Rtn. Dr. DEVDATT T. KAPADIA
