Sub : Do you want to join BMC Education Advisory Boards ?

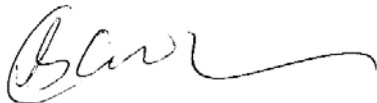

Dear Mr. Somani,

I am also fighting on the Education Policy of the Central Government and State Governments. They have ruined the Education System during the last 57 years after independence.

In short my urge to the Government and the NGO's on Education is, the children between the age of 3-15 must be taught based on Indian Ancient Culture, Civilization which imparts Morals, Ethics, Civic-sense, Honesty, Integrity. After the age of 15 one can not mould the human brain. Today's Education System is converting the majority as Criminals and Corrupt elements. They have complete selfish outlook. I have started School "Vidya Prasarak Mandal" in Mulund East, Mumbai, in the year 1957. Small write-up and Appeal is enclosed herewith. Anyone is welcome to visit our Institution. I am just enclosing herewith last Annual Report for your information which gives you a brief idea of our activities.

Submitted for your information.

Yours sincerely,

N.B.H.KULKARNI

**APPEAL FOR DONATION TO CHARITABLE EDUCATIONAL INSTITUTION IN MUMBAI**

Respected Sir,

I had a long cherished dream in life of supporting the poor middle class, and down-trodden society, make them self-supporting. For this I thought, giving Education within their reach is the only solution. Moral support, donating Material & Money are only temporary.

Thus, I started with only 3 Students in the Balcony of my Residence in Mulund, Mumbai, a Charitable Educational Institution in the year 1957 with unstinting support of few of my Philanthropist Young Colleagues, who were interested in Education. We registered this Institution under the name "VIDYA PRASARAK MANDAL" in 1960. It is managed by a Team of Devoted Dedicated Philanthropist Honorary Educationists, who do not derive any direct or indirect benefits. It is registered under Income Tax Act 80-G and with Charity Commissioner. It is a Kannada Linguistic Minority Institution.

This institution is built gradually with the financial help of Philanthropist Well-Wishers. We have today 4000 Students, and conducting Classes in Kannada & English Medium - Pre-primary, Primary, Secondary, Junior College and Degree College in Arts, Commerce & Science Faculties. Our Institution is not getting any financial help from the Government.

Now we have acquired land in Airoli, New Mumbai from Maharashtra Government - CIDCO for School Building 3440.73 Sq.Mtr. & 4366.20 Sq.Mtr. for Play Ground by paying Rs.30,59,997 for constructing "V.P.M's "National Integration School" in Marathi, Kannada & English Mediums.

Our Building Plans are passed by New Mumbai Municipal Corporation. A broad view Photograph is enclosed. The estimated cost for constructing this new building is approximately Rs 4.5 Crores as per our Architect's Report enclosed. We propose to build it in two stages, as we collect the Funds. We depend entirely on our Well-Wishers' Generous Donations.

We appeal to your goodself for Generous Donation by way of Cheque/Draft in the name of "VIDYA PRASARAK MANDAL" 'Made Account Payee'. Your goodself also can request your other Philanthropist Friends.

I am not a Politician not a Bureaucrat, not interested in publicity. I am now 76, devoting my 75% of time, energy; on social work- Education- Vedic Education- Fighting corruption- and helping others. I never sought any favours from any body at any time for my personal benefits. God has been kind to me always; but I do ask for favour to help the needy by recommending to the honest friends known to me, in getting justice to deserving cases.

With kind regards,

Yours sincerely,

  
N.B.H. KULKARNI
